Mr. T. Abdul Khader has been asked to complete the trial of the cases of the Sepoys of the Madras Pioneers before handing over charge of the office of City Magte. It is not known when he will be ready for relief.

Perhaps the relief of Mr. S. Narayana Rao by Mr H. Rangachar has to be so adjusted that Mr. Narayana Rao is not relieved earlier.

Dear Mr. Madhava Rao,

With reference to our conversation about the consequential postings of Assistant Commissioners to fill up the vacancies of the charge of the City Magistrate, Bangalore, and the Special Magistrate, Kolar Gold Fields, I write to state I have considered the matter carefully and I suggest the following arrangements as the most suitable in the present circumstances.

(1) For the charge of the City Magistrate, Bangalore, Mr. S. Narayana Rao (now on special duty as Secretary of the Motor Bus Committee) may be posted permanently on the completion of his special duty. Till then, Mr. C. Ramachandra Rao (on leave) may be recalled to duty and posted provisionally for this charge.

27-9-31 (2) Mr. J. Appaji Gowda (Dodballapur Sub Division) who is one of the senior officers available and who has not worked long as Magistrate, may be posted as Special Magistrate, Kolar Gold Fields.

9-7-31 (3) Mr. G. Sundara Rao (Hassan District Treasury) may be posted to Dodballapur Sub Division.

(4) For the Hassan District Treasury charge, Mr. C. Ramachandra Rao (on relief of the charge of the Bangalore City Magistrate) may be posted permanently. He will be able to manage the Municipality also fairly well. Till then, Mr. K.P. Ramanathiah, Amildar, who is the next candidate in the eligibility list (B group) for selection this time, may be posted provisionally.

Yours sincerely,

C. Rajagopal

Dear Mr.Madhava Rao,

I am in receipt of your letter No.1329/C.B., dated the 27th instant, announcing that Mr.S.Narayana Rao has been appointed as City Magistrate, Bangalore, and Mr.K.P.Ramanathiah, Amildar, Chennapatna, will be sent to work as Secretary, Motor Transport Committee, and hope that I may be permitted to make some representations before these changes actually take place.

In the first place, though it is true that Mr.Narayana Rao only joined on the 25th, I had put in a certain amount of work in anticipation of his coming and he and I have been very busy ever since on a series of notes which we propose to place before the Committee at the meetings which I have called for the 1st, 2nd and 3rd November. I hope in these circumstances that you would be able to let him continue to do duty as Secretary until these meetings are over, that is, say, until the afternoon of Saturday the 5th November.

In the second place, as regards the status of the officer to be posted in his place, I have of course no right to assume that the scheme I have put forward of a controlled monopoly will be accepted by the Committee and the Government, but I think, at the risk of being premature, it will not be out of place if I put forward certain considerations which would have an important bearing on the status of the Secretary in case it should be accepted

The work as I see it is likely to fall into three stages;- The first one of propaganda, in which the advocates of the controlled monopoly scheme endeavour to convince the Committee and the Government or to arrive at some alternative scheme which will effect the same ends; The second, a stage of district conferences, in which whatever general principles are accepted by Government are applied to concrete cases at discussions at which, say, the President and the Secretary of the Committee meet the

District Officers ~~and the~~ and the representatives of the bus interests in each district; ~~the~~ Third, the stage of introduction, in which an officer, whom I will designate the Traffic Manager sees ~~the~~ to the ~~introduction of the~~ actual carrying into effect of ~~the~~ contracts worked out in the two previous stages. In the ultimate development I sincerely hope we shall arrive at a Road Board which will have its own budget with borrowing powers, its own specialised engineer, and its own permanent traffic manager.

Granted that any such scheme is to take effect, it will I think be recognised that there would be a great advantage in having one officer as Secretary to the Committee in the first stage, as a Member of the District Conferences in the second and as Traffic Manager in the third. Such an officer would be far better qualified to put the scheme into effect than another officer, however able, who came in at a late stage of the proceedings and was unaware of the negotiations that ~~relate~~ led to particular decisions. It is a common experience that an officer coming new to a scheme in such circumstances tends to delay and unsettle all that has been decided by reopening decisions because he is not aware of the considerations that decided them.

These ~~may be~~ bring the general ideas which I had in view, I welcomed the appointment ~~of the~~ so Secretary to the Committee of a Civilian Policeman in the person of Mr.S.Narayana Rao, because I thought he was a very possible future Traffic Manager. I am afraid the same considerations will not apply to an Amildar. If, therefore, it is essential that Mr.Narayana Rao should be taken away for other duty, I should be very glad if it might be considered whether it is not possible to put in his place some other officer who is a possible future Traffic Manager.

It is perhaps too early to consider the possibility of such an appointment now — I think so.

I am coming in on Sunday, and if you would like to discuss the matter with me, can call at the Secretariat on Monday.

Yours sincerely,

C Todhunter

Dear Mr. Madhava Rao,

I have received your confidential D.O. letter No:1324 C.B. dated 27th October 1932 regarding the relief of Mr. N. Sundararaja Iyengar from the Gold Field early so that he may take charge at Chikmagalur as early as possible.

I would normally have relieved him at once without waiting for the reliever as he is going to a higher appointment. But as you will see from my letter No:C.C.57/32-33 of this date, there is a strike on, in one of the Mines. I do not yet know what the further developments would be. It is therefore impossible for me to carry on without a wholetime Special Magistrate here even though I am also camping on the Field from to-day until the trouble is over. I request therefore the favour of Government directing the new Magistrate to in here immediately without utilising any joining time.

Yours sincerely,

Government have approved of the appointment of Messrs. N. Sundararaja Iyengar, Special Magistrate, Kolar Gold Field and T. In their places, it is proposed to post Mr. S. Narayana Rao, acting Senior Assistant Commissioner (who was till recently Special Superintendent of Police at the K.G.F.) and Mr. J. Appaji Gowda, Assistant Commissioner in charge of the Dodballapur Sub Division, as City Magistrate, Bangalore and Special Magistrate, K.G.F., respectively. Mr. S.
